**Raising Awareness and Funds
For the
Juvenile Diabetes Research Foundation
(JDRF)**

by helping to find a cure for Type 1 Diabetes

On June 12, 2009, I will be at the starting line for the longest mountain bike race on the planet, The Tour Divide Race. My goals are simple- to finish and to raise \$10,000 for JDRF.

*Join us in our efforts by visiting our website and
discovering how you can help!*

**It is about Family, It is about living with Type 1
Diabetes, It is about Curing Diabetes, It is about
Cycling**
